

There is lots we can do!

Listen, Read, and Learn:

- **Some authors that I love:** Angela Saini, Tressie McMillan-Cottom, Banu Subramaniam, Beronda Montgomery, Isabel Wilkerson, Nikole Hannah-Jones, Audre Lord, James Baldwin
- **Anti-Racism Training:** <https://www.academics4blacklives.com/anti-racism-training>
- **People to Follow on Twitter:** @BlackBotanistsWeek, @BlackInGenetics, @thelma_madzima, @meliseymo, @BraybrookSA, @aaberhe, @K_Bioguy_Cox

Address it in the classroom:

- **Reading list for 'Ethics, Race, and Population Genetics' from Matt Hahn (IU):** <https://docs.google.com/document/d/1kEAjp3pxz99hIEkPFbzQBKxA9Umyg6R7YGL1rwq8PFM/edit?usp=sharing>
- **BlackPast:** <https://www.blackpast.org/special-features/stem/>
- **Project Biodiversify:** <https://projectbiodiversify.org/materials/>

Think about it when considering invitations and organizing meetings:

- **Tips from UM:** <https://www.mtu.edu/diversity/council/pdfs/tips-for-diverse-panels-and-speakers.pdf>
- **500 Women Scientists:** <https://500womenscientists.org/inclusive-scientific-meetings>

Get involved at your institution or in your scientific community:

- **Maize Genetics Cooperation:** <https://www.maizegdb.org/mgc/outreach/>
- **Botanical Society of America :** <https://cms.botany.org/home/governance/committee-dei.html>
- **ASPB:** <https://plantae.org/education/changing-cultures-and-climates/>
- **Participate in the MANRRS mentoring program:** <https://www.manrrs.org/>
- **Get involved with your local SACNAS chapter, or start one:** <https://www.sacnas.org/>
